November 20, 2013

Dear Teacher:

The Spink County Veterans Service Office is sponsoring a special display during the early days of December. It is the South Dakota Fallen Heroes Banner Display, which depicts the thirty five South Dakotans who have made the ultimate sacrifice for our cherished freedoms in our last ten years of war.

This is a unique educational opportunity for your students. It is also an opportunity for South Dakotans to say "Thank you" and reflect on the sacrifice these persons made for all of us.

The banners will be in the Courthouse and able to be seen from 8 am – 8 pm from Wednesday, December 4th through the 11th. A special program will be held in the Courthouse rotunda on Saturday morning, December 7th (the "Day of Infamy") at 10 am.

Do consider bringing your students to see the banners. And do make them aware of their presence in our community. They will be on all three floors of the Courthouse.

Sincerely yours,

Gordon Richard VSO
